

Classes Vote For Officers, Says DeLuca

Class elections will be held Tuesday, Feb. 13, at 11 a.m., says Fred De Luca, vice president of the Associated Students and head of the Inter Organization Council.

Alphas will meet in College Hall. A member of the Executive Council will preside at the election, since the Alphas have no out-going officers.

Where to Go

Betas will hold their election in R. 7; Gammas in R. 6; and Deltas in R. 5. Officers elected last year will conduct the election if they are still on campus; if there are none left, members of the Executive Council will be in charge. Former officers are those elected in the spring of 1950, as there were no class elections in the fall semester of this school year.

Important

De Luca urges everyone enrolled in the college to attend his class meeting. He said that all other meetings scheduled for Tuesday at 11 a.m. have been cancelled because of the importance of this election. Moreover, he states that the attendance at the class meetings will determine whether or not classes will have officers hereafter on this campus.

Deltas to Graduate

Valley College graduates its first class in June. The officers elected in the Delta meeting Tuesday will be the officers of the first graduating class at Valley.

Moreover, De Luca emphasized the need for an early election if the Deltas prepare adequately for their graduation. He said there are many traditions to establish and the Deltas will have the opportunity to be the founder of those traditions. A few items to consider, he said, are rings, graduating exercises and any other activities that will become a part of future graduations at Valley.

French Club Holds Party At Center

French students, as well as club members, are invited to attend the first meeting this semester of the French Club, says Ed Scharff, president. The meeting will be held at Language Center on the new campus site next Wednesday at 7:30 p.m.

Scharff promises entertainment beginning with accordion

Dr. Kersey Confers With Administration On Building Plans

Dr. Vierling Kersey, director of Valley College, held a conference yesterday with Dr. Howard Campion, associate superintendent, and the members of the Educational Housing Section in connection with the plans for starting the new Valley College buildings on the Burbank Boulevard site.

The architectural plans of the college are nearing completion, and plans are being made, to begin construction this year.

MOBILIZING FOR DEFENSE

Monarchs Receive Red Cross Certificates Upon Completion of First Aid Course

Many Monarchs are expecting to receive Red Cross certificates stating that they have completed the course as prescribed by the Red Cross and have passed the examination at its conclusion.

These students were among the 650 enrolled in the four day first aid classes which ended Tuesday of this week. This course was offered in accordance with the Los Angeles City School System's policy of preparedness among the school age population of Los Angeles.

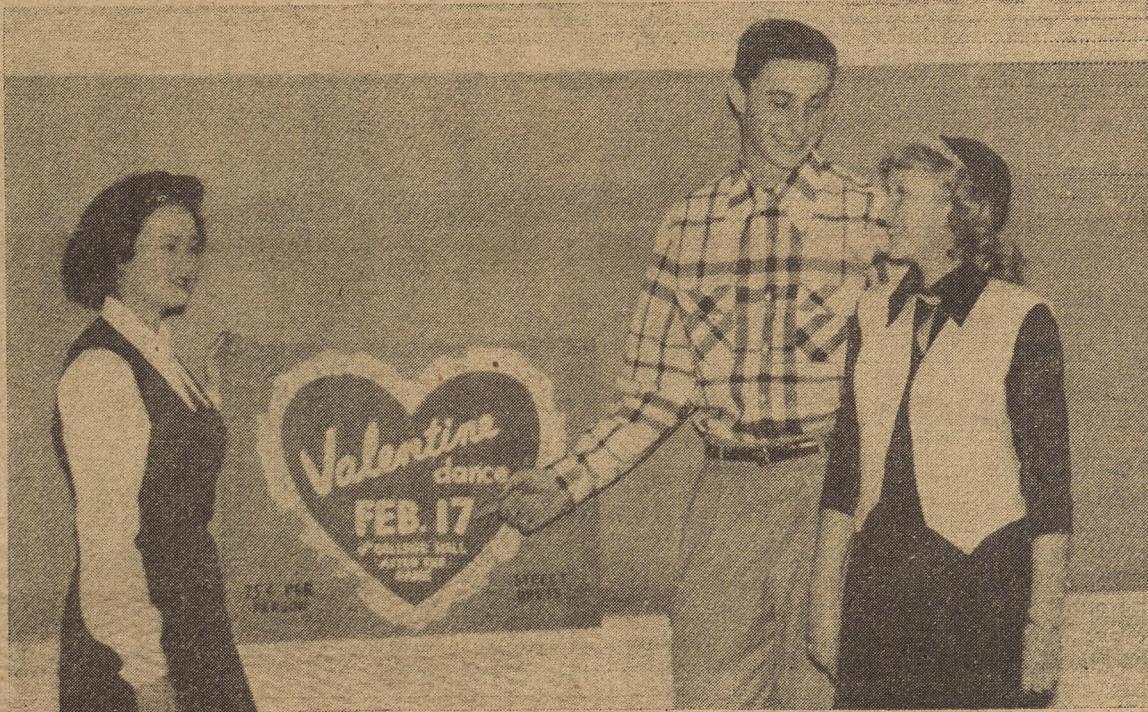

First aiders learned the symptoms and cures for everything from hives and hiccups to antidotes for poison and how to care for a victim of an automobile accident. Splinting fractures and administering artificial respiration were included

Volunteer Blood Donors Sought On Valley Campus

Facing the immediate need for whole blood and plasma, Valley College students are encouraged to contribute to the Red Cross Blood Mobile when the unit comes to the campus.

A list for contributors to sign has been posted in Faculty Room 3. According to Edward Clark, Valley College instructor, a few more students are needed to pledge for the assignment list. Van Nuys High School and Valley are contributing jointly to the blood bank.

"We need about 20 more," stated Mr. Clark, "but as long as the unit will be coming, it would be wonderful if we could do as well as we did on the chest x-ray campaign—a 100 percent goal."

Everyone over 21 may sign up at once. Those between 18 and 21 may do so as soon as they have the written permission of a parent. Permission slips are available from Mr. Clark. The date of the Blood Mobile's visit to Valley's campus will appear in THE VALLEY STAR.

Statistics show that an adult has four to five quarts of blood in his body. The loss of one pint is replenished within a short time without any ill effects. In addition, those losing one pint of blood will be refreshed by the customary orange juice which accompanies each contribution, states Mr. Clark.

numbers by Katherine Leonard and ending with dancing by all. Somewhere in between refreshments will be served.

In addition to the fun and eats, new officers for the spring semester will be elected.

DISCARD DINKS

Alphas, Athletes Honored At Hop Tomorrow Night

Blood Mobile Unit At Valley-Maybe States De Luca

A vote of confidence to support the current campaign for blood donors at Valley College was announced by Fred De Luca, Associated Students' vice-president, in the absence of the president, Dick Yamashita.

"It would make a fine showing for our college if we could go over the top on this blood drive. Since many students are veterans and many more are faced with possible induction, we are sure that the need is felt; let's take action."

"The free chest x-ray day was successful because so many Monarchs took advantage of that opportunity. Let's support the Blood Mobile 100 percent," states De Luca.

ELMAR EVANS JOINS FACULTY

Formerly a teacher of shorthand and typing at Van Nuys Evening School, Elmar B. Evans has been added to the commercial department here at Valley College. He will instruct in business mathematics, business correspondence and typewriting in the expanded classes.

A long time and enthusiastic resident of California, Mr. Evans plans to join Valley sport and social as well as curricular activities.

"Valentine's Day" will be the theme of Valley College's first dance of the spring semester, to be held Saturday night, Feb. 17, in College Hall.

The dance, which is to be held immediately following the Valley vs. El Camino basketball game, will honor the Monarch basketball teams and also all the new Alpha students. The game is expected to be over by 9:30 p.m.

Owens, Dance Chairman

Ken Owens, student dance chairman, has announced that Earl Williams and his popular band will be the featured entertainment. Owens stated also that the Williams band has been booked for the dance since the middle of January. Door prizes will be given away at the dance.

Dress for the affair will be informal street attire. Slacks and ties will be suitable for the boys, while sweaters and skirts will prevail for the girls.

Offer Special Price

The admission charge for the dance will be 75 cents stag and \$1.50 per couple. However a special offer is being made to all basketball players and new Alpha students. Basketball players and their dates will be allowed into the dance free of charge.

Mrs. Nena Royer, dean of students, announced last week that to help the new students get better acquainted, sign up sheets with the names of 100 Valley College students on them would admit Alpha students into the dance free of charge. The lists must be turned into the ticket booth in front of R. 12 between 10 a.m. and 3 p.m. on Thursday, Feb. 15, or Friday, Feb. 16. New forms may be procured in Mrs. Royer's office.

Hochgiberg Skiers Entertain Valleyites

Three Valley College students were guests of the Hochgiberg Skiers Club last week end. They were Joyce Morgan, Ruth Kinsner and Jack Jevne.

Enjoying the snow at Table Mountain, Wrightwood, Big Pines, where the ski club is located, also were Gene Stauffer, Barbara Jobe, Don Zentmeyer, Bud Peacock and Bob Clodfelter, who are members of the club.

Members of the Ski Patrol as well as the club are Ralph Franklin, Karl von Poederoyen and Paul Tetric.

College Has Hospitality Hour Today

Director Verling Kersey, Deans Nena Royer and Walter Coulter, and the faculty invite all new students of Valley College to attend a hospitality hour this afternoon at 3 in College Hall.

This event, which will be a semi-annual affair, will be held for the purpose of giving new students the opportunity to become better acquainted with their instructors and classmates. The faculty will be divided into seven committees.

Heading the receiving line will be Dr. Kersey. Along with Dr. Kersey will be Mr. Coulter; Bob E. Davis, faculty president; William McNeilis, counselor; and Mrs. Royer.

Chairman of the pouring committee will be Dr. Blanche Bloomberg, English department head. Mrs. Mary Brulick, employment counselor; Mrs. Velma Olson, commercial instructor; and Miss Marie Scott, art instructor, will assist Dr. Bloomberg. The host and hostesses committee will be headed by Miss Helen Mindlin along with Wilfred Jenks, E. Y. Johnson, Robert Nassi and Miss Jeanne Pons.

Miss Frances Cochranides is chairman of the co-table committee, and she will be assisted by Richard Nystrom, Charles Mann, Harry Beck, Donald Prismon, Miss Eleanor Vactor, Angelo Villa and Miss Bessie Butcher.

In charge of directing and table setting will be Miss Scott, Miss June Adams and Mr. Nystrom.

The chair arrangement will be handled by Miss Mindlin, Mr. Davis and John Tatum. Mr. Nassi, Mr. Tatum and Mrs. Royer are in charge of the cleanup committee, while Richard Knox and Albert Caliguri head the music committee.

Mrs. Royer stated, "We are anxious for the director, deans and faculty to have an opportunity to extend the same friendly welcome to new students that all Valley students show to new students."

Honor Clubs To Accept Members

Dr. Blanche Bloomberg, sponsor, announces that Tau Alpha Epsilon and Les Savantes honor societies, are now receiving applications for membership.

Les Savantes opens its membership to college students who have a 2.3 average in a minimum of 12 units for one semester at Valley College. Tau Alpha Epsilon, which is a national society, also requires a 2.3 grade average in 12 units, but this standard must be maintained for two semesters.

Applications may be secured in Mrs. Nena Royer's office; after they are filled out, they should be returned to her. A committee from each society then considers the applications and decides whether or not they are to be accepted.

In addition to grade point average, the committee considers the participation of the applicants in extra curricular activities.

Dr. Bloomberg states that citizenship is considered as necessary as scholarship by the members of the societies.

Holiday Next Monday

Dean Walter Coulter announces officially that classes will not be held Monday, Feb. 12, Lincoln's Birthday.

Jack Jevne, ski enthusiast, recommends snow for the long week end, but Stu Hirsh prefers balmy beach weather.

Whatever the weather, Margie Elliott, social editor, asks all who do the unusual or have fun to report to her early Tuesday morning in R. 12.

A Fair Exchange

The time has come in Valley College life when Monarchs should realize their responsibility in aiding the Red Cross—not only responsibility, but more, for aid is now a necessity.

Last year the Red Cross appealed to Valley to give blood, but the appeal was refused. Too few students signed, so the Blood Mobile did not come to the campus. Many felt keenly about the apparent unconcern of the students here.

Once again the request is made. The need is more urgent now. Most students on this campus have friends or relatives in the Service, many in Korea. There, blood is playing an important part in saving the lives of Americans—our boys.

Edward Clark, Valley College instructor, is in charge of this drive for blood. He says that he has very few names, about 10. Possibly negligence or lack of knowledge of the need has been responsible for the slow response to the repeated requests for donors.

Mr. Clark says that if 35 people will give their names to him the Blood Mobile will come here. If you can't find him, come to R. 12, and a member of the staff will see that you get signed up.

Why not see which class can get the most blood donated? That would be a way to get your classes started. After the election next Tuesday the newly elected president might make a list of the names of persons who will help put over this drive for blood.

Next week the STAR will publish the names of those who sign to give blood.

— D. Fox

Student Council Holds First Meeting of Year

Valley College's Student Council held its first meeting this semester, on Jan. 31. The purpose was to decide on future events at Valley College.

Details of the coming Valentine dance were discussed by AS president Dick Yamashita and his Council. Dress for the dance will be informal sports clothes. The dance will be held in College Hall following the Valley vs. El Camino basketball game at approximately 9:30 p.m. The price will be 75 cents stag and \$1.50 per couple.

Yamashita also announced that class elections will be resumed this semester and will take place next Tuesday.

Other topics mentioned were:

1. A special holder for copies of THE VALLEY STAR, instead of leaving them on a table in front of R. 12.

2. The meeting of the California J.C. Student Government Conference to be held in Long Beach, May 26, 27 and 28.

3. A planning conference to prepare for the CJCSCG conference. This preliminary meeting will take place May 2.

4. Numbering Valley College bungalows so that they can be easily recognized from the rear.

Film Club Discloses New Events To Come

Howard Woolfan, sponsor of the Film Society, announced that the society is being discontinued due to the fact that the students have too many other activities at night and also due to the fact that night school has been extended to four nights a week.

However, new events will replace the films such as a series of lectures which are in the process of being planned at the present time. Any further information on the subject can be obtained by contacting Mr. Woolfan.

Aids for College Life Offered By McNelis

(EDITOR'S NOTE: By request of THE VALLEY STAR, William McNelis, head counselor, gives his aids for beginning college life.)

By WILLIAM MCNELIS

As you begin to attend your regularly scheduled classes for your first semester of college, may I take the liberty of making a few remarks which you may care to consider?

1. You will soon learn that college life allows you more freedom than has ever been extended to you in your educational career. The matter of selecting a program, hours that you attend, number of units carried, etc., are examples of this freedom. Now and then please remember that this new-found freedom entails more responsibility than you have experienced before. You are expected to be responsible for the decisions you make while here at Valley. Don't abuse your freedom.

2. Many of you will learn that attending college presents problems which you have not had to cope with before. You will find that you must change some of the habits acquired over a period of years and acquire new habits, skills and techniques. The first five weeks of college are probably the most critical.

If you can meet all situations which develop during this period, you will have little difficulty adjusting to events encountered beyond the fifth week. Please feel free to discuss any problem you may have with your instructors or any of the administrators.

3. All of you have made out a program for a specific major which indicates that you have a vocational goal in mind. Many of you will question the goal. Obtain all the help you can when you are uncertain as to what you should do in the way of a major. See your counselor and your instructors for help. You can't do constructive work if you don't know where you are going. Have a goal; know what it is; know that it is worthwhile.

4. Last and probably most important, know that it is possible to attend college for a period of

Courses In Art Offered To All

Be another Churchill! Marie Scott of the Art Department urges students to take art courses as there are courses in ceramics and various crafts which make fine hobbies for anyone.

Miss Scott stated, "Students without any previous art instruction are invited to take a course in elementary painting—a creative course with no text."

"People who would like to paint are sometimes afraid to. Art B4 is a beginner's course and is valuable in helping to overcome this fear. Art 14A is a course for students who have had some experience in art and would like to continue it as a hobby. The class offers outdoor painting, some portrait painting, still life, and imaginative painting for students interested in surrealism, etc. As this is a studio course the student may do any kind of painting he likes."

"For those who enjoy hand crafts the Art 38 course in mixed crafts might be investigated, or Art 35 which is ceramics."

four or more years, do passing work and obtain a degree, without getting an education. A student gets an education by doing a little more than is necessary to pass a course. He visits the library frequently. He reads more than the minimum required for an assignment. He joins discussion groups. He participates in extra curricular activities. He realizes that it is difficult to work 40 hours a week and find time to get an education. You owe it to yourselves to see that you obtain an education and a degree rather than to become a "unit collector."

The Valley Forge

By Bill Tunnell

Some strange mutterings from the underground have reached these ears in this past fortnight. Some things I have never wanted to hear are being said about Valley College. They say that at the last few athletic events Valley students have acted the poor sports. This deplorable situation must be cleared up immediately if Valley is to keep its name as having high spirit and being good sports. I'm not saying, "don't yell," but, "don't yell at the referees or the opposing team." The referees are doing the best they can, which in most instances is enough for a well called game. The opposing players are just like our players—they're out to win for their school. They play hard and definitely shouldn't be rewarded with hisses and boos.

WE NEED A CHEER LEADER

Now that Art Rocha has left us, we definitely need a new cheerleader. A good cheerleader can control a rooting section. Let's get the responsible people on the ball and have an election for a new boy.

This just about knocked me out. When our assistant cheerleader, Jim Weigel, stood up to lead a cheer, the rooting section yelled at him to sit down. He sat down. Can you blame him? What would you think if you saw this at another school? You would think, "what a bunch of crumb," and you would be right.

WHO'HOPPEN' TO OUR BAND

If we could get our band out there, we could have our songleaders perform for us at intermissions and halftime. This would pep up the spirit, the right kind of spirit, that is. Also, a few pre-game rallies couldn't hurt anything. Get the kids together and get them in the spirit of things.

PLAY IT COOL

We're trying to get as many people to the games as possible. We're not trying to keep you from cheering. Yell as loud as you can, but above all don't yell like a bunch of bums—be yourself—good sports—the Spirit of Valley.

Editor's Mailbox

To Valley College,

I want to thank you for taking the time and effort to send me the college paper. Through reading the paper I feel that I am still engaging in the activities and events in the best junior college on the coast. I am proud to say that I was a member of your student body and with the help of God and a discharge, I hope again to be a member.

Sincerely,

Richard Siegler.

College Clubs To Join

EDITOR'S NOTE: This is a continuation and the conclusion of last week's article and will give information on all remaining clubs and honorary societies.

Alpha Phi Epsilon—secretarial science national honorary society. Pre-requisites: 13 units in secretarial science, at least 7 in shorthand and typing. Grade of A or B and average of 2.2 in all college work. Sponsor—Mrs. Velma Olson.

Coronets—hostesses of the Associated Students. Gives service to activities and events. Pre-requisites: Beta standing, 1.5 scholastic standing and willingness to work. Sponsor—Mrs. Velma Olson.

Delta Psi Omega—national drama honor society—student must acquire excellence in all dramatic work—Crown Players stepping stone—high standards. Only students with Theatre Art productions experience can be considered. Sponsor—Bob E. Davis.

Gamma Delta Upsilon—honorary journalism fraternity—purpose to promote better journalism on campus—B average and outstanding work on all college publications. Sponsor—Angelo Villa.

Knights—membership by invitation—act as hosts of the Associated Students. Beta standing and 1.5 grade average. Sponsor—Phillip Clarke.

Lettermen's Club—further the interest in athletics. Membership is open to any Valley Letterman. Sponsor—Coach Ernest Johnson.

Phi Alpha Sigma—women's music society. Aids social development of members—should have interest in music. Sponsor—Eleanor Vactor.

Neurotica—pursue further study of psychology—create fellowship of those interested. Any one who has had or is taking psychology course may join. Sponsor—Charles Locks and Charles Marsh.

Sigma Alpha Phi—Men's music society. Will present musical in spring. Should be interested in music. Sponsor—Richard Knox.

Sigma Tau Sigma—Gamma Chapter—national social science honorary—conduct Town Hall forum—2.0 average in 5 or more units in social sciences. Sponsor—Donald Prismon.

Tau Alpha Epsilon—Beta Chapter—all college scholarship society—must maintain 2.3 average in all college work; minimum of 12 units for 2 semesters; extracurricular activities required. Sponsor—Dr. Blanche Bloomberg.

Ski Club Cancels Plans For Snow

Edward Clark, sponsor of Valley College's Ski Club, announces the cancellation of plans for a snow party.

"There's no snow so we will have to wait until the mountains receive some of it before we can go. If it does snow, the trip will again be planned and announcements will be made to that effect," stated Mr. Clark.

Dean Nena Royer Speaks To Van Nuys Lions Club

Dean of activities, Mrs. Nena Royer, spoke at a Van Nuys Lions Club luncheon last Friday, Feb. 2, and outlined the plans for the new college.

"The Lions were very enthusiastic about the new college," announced Mrs. Royer. "In fact, there was one person who wanted to know if he could come to the college and take classes."

The purpose of the luncheon was to give outstanding points of the college and to show the plans of the new building.

Mrs. Royer introduced Dick Yamashita, president of the Associated Students, and Shirley Wertz, Associated Women Students' president. Both welcomed the Lions to visit the campus at any time.

"I explained that our new college will cost \$13,000,000 and will consist of 150 acres. It will have the largest covered swimming pool in the West. The plans are going ahead, and ground will probably be broken before summer," announced Mrs. Royer.

Program chairman, John Tatum, said the Lions were the most interested group he had seen in a long time. "As a whole, the program went off wonderfully well and the Lions' response was amazing," said Mr. Tatum.

The Lions would like to begin a young group on campus. Further information will be published in the STAR.

Sigma Alpha Phi

Announces Officers

Sigma Alpha Phi, campus music organization for men, elected and installed new officers for the semester last Thursday, Feb. 1. The new officers include: president, Whitney Halfhill; vice president, Don Miller; secretary, Don Ingle; treasurer, Dick Eaton; and sergeant at arms, George Noble.

Members of the organization are Chuck Brose, Ron Wagenback, Russ Hubbard, Paul Trietsch, Ronald Lett, Syd Mason, Tim Kinion and Fred De Luca.

Sigma Alpha Phi is now open for membership, and the only requirements are an interest in music and entertainment. Any one interested should contact the above officers for any additional information.

Spanish Club Announces Spring Semester Program

Cruising the Campus

By ART BRAULT

Well, if I have any readers left over from last week, it is probably a minor miracle, but I will try again. If you can't stand it, don't bother telling me about it as I am a very thick skinned individual.

If you took a look at the rest of the paper, you should know by now that there will be class elections soon. I would like to take this opportunity to thank Dick Yamashita, president of the Associated Students, the Executive Council and Angelo S. Villa, sponsor of the Council, for their work in securing these elections.

Bob Baker, AMS president, has promised AMS elections on the first open date on the calendar. Take a good look at that calendar, Bob.

Crazy???

Did anybody notice the sponsor of the Gamma Delta Upsilon Fraternity casually strolling about the campus clutching a batch of freshly clipped paper dolls? War nerves, I guess!

Everything But

If you read the sports page last week you should know that there is a column entitled "Sports Before Your Eyes." That particular title was created after about two hours' concentration by the entire staff. Suggestions such as "McCurdy's Mutterings," "Jack of all Sports," "Jack's Jottings," and "Down the Middle" (I don't know what the connection in the last one was) were advanced. Finally all the nominations were put to a vote with a title, not the present one, receiving a unanimous vote. Mr. McCurdy completely disregarded the ballot and selected his own title. I wonder what the "Little Giant," Stephen A. Douglas, would say if he knew that his "Doctrine of Popular Sovereignty" had been tossed out the window.

James Morgan might satisfy the curiosity of several people if he would drop into R.12 and tell me where Macomber High School is located.

One more thing before I close. What do you think of Tom Brannigan, former Valley student who recently enlisted in the Air Corps, being assigned to Lockheed Air Terminal?

Los Amigos del Valle, Valley College Spanish club, has announced its program for this semester, according to Robert Nassi, sponsor.

The following is a list of the club meetings:

1. Election of officers
2. A program of Latin American Music

3. Irwin Braun and Charles Locks speak on trips to Mexico

4. Two Spanish students from Puerto Rico and Mexico give their impressions of the United States.

5. Professional Spanish dancer who will demonstrate folk dances of Latin America

6. William Hawkinson speaks on trip to Central America

The Foreign Language Center is planning to show four Spanish films on one Friday a month. After the films, refreshments will be served, and there will be social dancing.

There are plans to present distinguished speakers to address the group in the evening. These will include the Spanish Consul and the Mexican Consul.

Monarchs Topple East L. A. Huskies; Cole Paces Team

Led by center Howie Cole's 24 points, Valley College's basketball team won their second Metro Conference victory by up-

By Brad Browne

This little editorial essay is on a very worthy subject—that of sportsmanship. Sportsmanship can make or break a school, and sportsmanship around here at Valley is breaking us, but fast. If you don't think so, ask some of the other schools that have come to our home court to play.

Before you folks blame the sportsmanship on the officials, let's delve deeper and see what we find.

In the first place our reputation downtown is becoming a major "catastrophe" (as Jim Durante would say), and the op officials do not want to come and referee our games for they now what they are in store for from the so-called Valley "rooting" section.

If the officials we are getting were not competent, they wouldn't have a referee's license. Just remember that nobody is perfect and the officials are entitled to a couple of mistakes a night.

Before you let off steam again, let me ask you one question. Have you ever refereed a basketball game without having one person make a complaint about the decision you call? Hmmp! I didn't think so.

The next time you go to a basketball game remember that the officials are human too; and, before you bellow at them, think first and put yourself in their position. Things happen too fast or every call to be called just the way you would like it to be.

As a parting word, I would like to say, cheer for our team to win, but let's do it in a sense of sportsmanship we can be proud of.

Intramural Sports

Program Starting

The Inter Organization Council has announced that plans are being made for the beginning of intramural sports at Valley College. Organized by the lettermen's Club, the games will be sponsored by the IOC.

Fred De Luca, president of the IOC, stated, "These intramural games are to be held for the purpose of stimulating a better understanding among clubs."

All clubs on the Valley College campus are invited to participate in the intramurals, and anyone who wishes to compete must be a member of a club. All games are to be played after school at a time which will be most convenient for the competing clubs. Co-educational games which will be played include volleyball, football and possibly bowling. Basketball for men only will also be played.

Upon the completion of the final games, ribbons will be awarded as prizes to the winning teams.

setting East Los Angeles JC 57 to 45 last Wednesday night in the Garfield High School gym.

Cole, aside from being high point man, displayed a fine defensive skill, as he controlled the backboards consistently throughout the game.

Valley was never headed in the game, leading by a score of 33 to 22 at half time and holding a minimum seven point margin throughout the entire contest. Dave Summers followed Cole in the scoring department for Valley by bucketing eleven points. Ralph Clements, who was weak from an attack of the flu, collected ten points for the Green and Gold. Tom Crane was not able to play as he had been ill all week.

Eli Sherman was ELAJC's main threat to Valley as he scored twenty points, but this was not enough to hold back the Monarchs who were determined to win the game.

Coach Ben McFarland stated: "The team played very well considering the fact that we have had much illness among the squad."

In a preliminary contest, Valley's JV's, led by Glen Abney and Charlie Reed, who scored 37 and 27 points respectively, downed ELAJC's JV's by a score of 79 to 59.

Monarchs Victors Over Pierce JC For Fourth Time

Valley College's basketball squad once again displayed their supremacy over Pierce Junior College by defeating the Brahmas, 76-48, last Friday night in the Van Nuys High School gym.

This marked the fourth game that Valley has played against Pierce this season and also the fourth time that the Monarchs have emerged victorious.

Valley completely dominated play in the first half as they shot to a 21-4 lead after the first quarter and led by a landslide score of 50-21 as the half ended.

Pierce came back much stronger in the second half as they kept up with Valley in the scoring department, although Coach Ben McFarland had cleared the bench of reserves.

Herb Hain was high point man for Valley as he amassed 16 points for the night, although Phil Rawlins, Pierce's tall center, led the scoring parade with 21.

Varsity Lineups
Valley (76) Pierce (48)
Clements (11) Green (7)
Crane (10) f Consoli (4)
Cole (1) e Rawlins (21)
Wells (8) g Underwood (1)
Wiegman (6) h Hayes (9)
Scoring subs: Valley—Hain (16), Summers (8), Austin (10), Johnson (4), Lowry (2).
Pierce: Gurunian (3), Edwards (2), McCurdy (1).

Monarchs Meet Renegades, Corsairs In Week End Basketball Skirmishes

Bakersfield Squad Looks For Second Conquest of Valley

Fresh from a stunning 42-39 upset win over El Camino Jaysee last Tuesday night after trailing at the intermission Bakersfield comes South tonight to meet the Valley College basketball quintet at 8 p.m. at Los Angeles City College gym.

Tonight's basketball game with Bakersfield Jaysee has been moved to Los Angeles City College. The game starts at 8 p.m.

Tomorrow night's Santa Monica CC game will be played at SamoHi. Go over Sepulveda to Sunset, turn right to Gretna Green and go left to San Vicente. Turn right to 7th Avenue and go left to the school on Pico and 7th.

Renegades 69-53

The last time the Monarchs faced the Renegades they were soundly thrashed, 69-53, in the Northern City.

After eight conference tussles the Renegades are resting in fifth place.

Coach Dave Pfister's squad holds circuit wins over East LA, Harbor and Valley. The squad is paced by center Lowell Reynolds who is averaging near 13 points a game in conference play.

Johnson Prepares Team For Games

The Valley College baseball squad will be going into the last polishing session next week in preparing for the opening practice game of the 1951 season with Harbor J.C.

Coach E. Y. Johnson stiffened his practice drills in acquainting the Monarchs with the competition they will meet in the Metro Conference this year.

The team, which is made up mostly of players inexperienced in college play, held some intra-squad games this week in order to get the boys used to actual playing conditions.

26 Games

Coach Johnson added nine more games to the schedule, now bringing the total to about 26. The Monarchs now have such strong teams as Glendale, LACC and Ventura on the practice line-up.

Hammer and Wolters

The catching and first base positions were strengthened by the addition of Dick Hammer, behind the plate, and Kenny Wolters, at first. Hammer brings much experience and poise to the squad and Wolters, a standout at North Hollywood, makes the first sack strong.

The pitching staff and outfield will provide the most trouble for Coach Johnson as the infield is working good.

Metro Four Lap Champ Returns

Valley College's track team was aided last week when Jim Smith, All Metro miler for Valley last year, again enrolled at Valley and will be eligible for competition this season. Smith, besides taking first place, set a new conference record of 4:31:1 when he won his mile race.

There will be two other Monarchs who placed for Valley in the Metro Conference meet last year running again this year. Wes Hessler placed second in the broad jump with a leap of 21'4 1/2" and Don Hoover placed fifth in the 880 yard race with a 2:00 timing, the winning time being 1:57. Hessler when he jumped 21'4 1/2" set a new conference record and held it for five hours before James Barrera of San Diego jumped 21'8" to set the conference record which now exists.

Valley's track team is now practicing in preparation for their first intrasquad meet which will be held February 20-23.

The Van Nuys High School track, which will be used as Valley's home track, was plowed last Saturday and is now being graded and leveled and is expected to be in fair shape for the coming track season.

points in that one and should be ready for a top effort tomorrow night.
